

NEXT is a spin-off of Pisa University, it provides a set of highly innovative engineering consultancy services, addressed to public and private clients. The team is made up entirely of qualified personnel from the university world of research in the field of Civil Engineering and is made up of highly qualified figures, engineers and technicians specialized in modeling and experimentation in the field of transport infrastructures. The experience gained in the field, combined with an adequate supply of equipment, allows for advanced know-how for the characterization, monitoring and performance checks of traditional and innovative materials used in transport infrastructures.

Company name: NEXT SRL

Location: PONTEDERA (PI), Viale R.Piaggio n.32, 56025 % Pont-Tech

Fiscal and VAT code: 02029720501

Established: December 2011

Legal form: LIMITED LIABILITY COMPANY (LLC, SRL)
